#### IMPORT TRADE CONTROL

New Delhi, the 5th August 1968

SUBJECT:—*Import Policy for Registered Exporters for the year April, 1968—March 1969*

No. 161-ITC(PN)/68—Attention is invited to Public Notice No 110-ITC(PN)/68, dated the 11th June, 1968 whereunder it was laid down that any material, the export of which otherwise qualifies for grant of replenishment licence under the Import Policy for Registered Exporters sold to a foreign shipping company as ship stores, would be considered as eligible for grant of replenishment licence provided that (i) the supplies of such materials as ship stores are made through the normal shipping bill procedure and (ii) the prescribed documentary evidence such as shipping bills duly authenticated by the Customs, Invoices and the Bank Certificate indicating receipt of payment in foreign exchange or Indian Rupees obtained from exchange from foreign currency are produced.

2. A question has now been raised whether replenishment licence can also be granted against supplies made to ships owned by foreign companies otherwise than through the shipping bill procedure, as for example, goods carried as personal baggage. The question has been considered. It has been decided that such of the exporters, who are making such supplies, should get themselves registered with the concerned licensing authorities giving them the particulars of the items they generally supply to the foreign ships and/or their crew, the manner in which such supplies are made, the type of documents that can be produced and permission

from Reserve Bank of India regarding such supplies. After their registration in the aforesaid manner, there would be no objection to the replenishment benefits being allowed on the basis of the Bank Certificate of receipt of payment against such supplies.

**SUBJECT.**—*Import Policy for Registered Exporters for the year April, 1968—March, 1969.*

**No. 162-ITC(PN)/68.**—Attention is invited to the Import Policy for Registered Exporters contained in Volume II of the Import Control Policy Book (Red Book) for the year April, 1968—March, 1969 issued under the Ministry of Commerce Public Notice No. 50-ITC(PN)/68, dated 1st April, 1968.

2. The following amendment may be made at S. No. (iii) Column 5 at page 82 of volume II of aforesaid Red Book:—

“Elastic tape (10%)

**NOTE.**—In lieu of elastic tape, rubber thread of all gauges, required for the manufacture of elastic tape, may be imported.”
